Seminar E-Learning Jederzeit verfügbar 32 Unterrichtseinheiten

Zertifikat Garantietermine vorhanden

Seminarnummer: 05715

Stand: 26.11.2026. Alle aktuellen Informationen finden Sie unter https://akademie.tuv.com/s/05715

The IOSH Managing Safely course enables you to implement OHS protocols and manage the risks associated with it, ensuring the well being of your team. You will play a significant role in improving the safety awareness culture and also gain an advantage over anyone holding a managerial position.

Nutzen

IOSH Managing Safely, a foundational risk management certificate in OHS enables you to:

- Understand, advocate and implement various safety protocols
- Recognize ways to measure and improve health and safety performance
- Undertake structured risk assessments and accident investigations
- Take responsibility of a team‘s health and safety

Zielgruppe

The Institution of Occupational Safety and Health (IOSH) Managing Safely Certificate course is designed for managers and supervisors working in any sector, anywhere in the world.

® TÜV, TUEV und TUV sind eingetragene Marken. Eine Nutzung und Verwendung bedarf der vorherigen Zustimmung.

Anforderungen

Our IOSH Managing Safely course has no formal entry requirements. You will need a computer with internet connectivity.

Abschluss
