 Classroom training

 24 Lessons

---

Seminar Number: IDN-H7-PUB

Status: 26.09.2024. All current information can be found at <https://academy-id.tuv.com/s/IDN-H7-PUB>

Are you a skilled technician looking to enhance your career in the booming field of **photovoltaic (PV) installation**? Look no further!

Enhance your career as a technician with our comprehensive 3-day training program in photovoltaic installation. Gain expertise in designing, installing, troubleshooting, and maintaining PV systems and become a proficient PV installer and take advantage of the renewable energy revolution.

Join now and be part of the renewable energy revolution!

## Benefits

- Equip participants with the fundamental knowledge of photovoltaic systems and their components.
- Develop proficiency in designing and sizing PV systems for optimal performance.
- Provide hands-on training in installation techniques, ensuring safe and efficient practices.
- Familiarize participants with electrical safety protocols and code compliance specific to PV installations.
- Enable technicians to effectively troubleshoot and maintain PV systems, ensuring long-term functionality.

## Target group

- Experienced technicians seeking to specialize in photovoltaic (PV) installation.
- Electrical professionals looking to expand their skills in the renewable energy sector.
- Individuals interested in pursuing a career as a PV installer.

# Requirements

No Prerequisites required. Anyone can complete this course.

## Training outline

- Day 1: Introduction to Photovoltaic Systems
- Day 2: PV System Design and Installation Techniques
- Day 3: Electrical Safety, Troubleshooting, and Maintenance

## Other information

Face-to-Face Training / Classroom Terms and Conditions:

1. Laws and Regulations: This training follows the applicable laws of the country where it takes place.
2. Equipment and Internet: Participants need a computer or mobile device with reliable internet for training. The company is not responsible for technical issues with participants' equipment or internet.
3. Attendance and Completion: Participants must attend all sessions and complete coursework to receive a certificate.
4. Cancellation or Rescheduling: The company may cancel or reschedule training due to unforeseen circumstances. Participants will be notified promptly.
5. Conduct: Participants must behave ethically and professionally. Disruptive behavior, harassment, or discrimination will result in removal from training.
6. Intellectual Property: Training materials are owned by the company and may not be shared or reproduced without written permission.
7. Recording: Participants cannot record sessions without prior consent from the company.
8. Feedback and Evaluation: Participant feedback may be used for training improvement. Personal information won't be disclosed without consent.
9. Payment and Refunds: Full payment is required before training starts. Refunds are granted if the company cancels or with written notice within a specified timeframe.
10. Agreement: By registering, participants agree to the company's terms and conditions.

# Event overview and booking

Book your desired date now directly online at <https://academy-id.tuv.com/s/IDN-H7-PUB> and benefit from these advantages:

- Fast booking process
- Personal customer account
- Simultaneous booking for several participants.

Alternatively, you can use the order form to order via fax or e-mail.
