This **PECB Certified ISO 21001 Lead Auditor Training and Certification** ensures you acquire the necessary expertise and equips you with required proficiency to conduct an audit of an Educational Organizations Management System (EOMS) by utilizing universally accepted audit principles, procedures, and techniques.

This training course imparts the understanding and abilities needed to organize and execute internal and external audits in accordance with ISO 19011 and ISO/IEC 17021-1 certification process. Through hands-on exercises, you will gain mastery over audit techniques and develop the competence to oversee an audit program and audit team.

After acquiring the necessary expertise to perform this audit, you can sit for the Certification Examination and apply for a "PECB Certified ISO 21001 Lead Auditor" credential. By holding a PECB Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.

For more information about PECB certification exam details, please visit [Examination Rules and Policies](#) .

## Benefits

At the end of this training, the participants should be able to:

1. Understand the operations of a Management System for Educational Organizations (EOMS) based on ISO 21001
2. Acknowledge the correlation between ISO 21001, ISO 9001 and other standards and regulatory frameworks

3. Understand the auditor's role in planning, leading and following-up on a management system audit in accordance with ISO 19011
4. Learn how to interpret the requirements of ISO 21001 in the context of an EOMS audit
