NEBOSH International Certificate in Occupational Health & Safety.

Driving globally recognized occupational health and safety practices for the professional sector.

Seminar	Jederzeit verfügbar	Zertifikat
E-Learning	120 Unterrichtseinheiten	Garantietermine vorhanden

Seminarnummer: 05716

Stand: 01.11.2026. Alle aktuellen Informationen finden Sie unter https://akademie.tuv.com/s/05716

The NEBOSH Certificate in Occupational Health and Safety will develop your understanding of general workplace issues and equip you with the skills that can be applied in different sectors. After completing the course you will be able to drive safety practices to create a safe and healthy workplace.

Nutzen

Completing the NEBOSH Certificate course enables you to implement occupational health and safety practices effectively. You will learn the skills and protocols involved in the domain to:

- Advocate and implement effective health & safety improvements
- Carry out general risk assessments
- Achieve Technical Membership of TechIOSH

Zielgruppe

The National Examination Board in Occupational Safety and Health (NEBOSH) International General Certificate is aimed at anyone responsible for health and safety, including:

- Occupational health and safety officers
- General managers and supervisors
- Public service workers
- HR managers
- Operational managers
- Security workers
- Directors/CEOs

Voraussetzungen

There are no specific academic qualifications, skills or experience required to take up the NEBOSH Certification program. However, NEBOSH does recommend a minimum standard of English for all learners, equivalent to level 6 on the International English Language Testing System (IELTS) tests.

Inhalte des Seminars

The course is split into two modules:

GIC1: MANAGEMENT OF HEALTH AND SAFETY

- Why we should manage workplace health and safety
- How health and safety management systems work and what they look like
- Managing risk - understanding people and processes
- Health and safety monitoring and measuring

The GIC1 scenario-based open-book exam is completed electronically and submitted through NEBOSH's online assessment platform. You have 24 hours from 11:00am (UK time) on exam day to complete and submit your exam paper.

GIC2: RISK ASSESSMENT

- Physical and psychological health
- Musculoskeletal health
- Chemical and biological agents
- General workplace issues
- Work equipment
- Fire
- Electricity

3 hr practical risk assessment carried out in the workplace.
