Quality management (QM) in accordance with ISO 9001 is important for companies and organisations of all sizes worldwide and across all industries. Our complete online course supports you as a quality manager in setting up a DIN EN ISO 9001-compliant QM system and taking on key tasks in maintaining and expanding your QM system.

Nutzen

- You can learn from anywhere by accessing the course via the Internet.
- You learn flexibly according to your own schedule.
- You have no travel and accommodation costs.
- You determine your learning pace and your learning process, not the learning group or the lecturer.
- With this complete course, you book all the modules required to take the "Quality Management Representative (TÜV)" certificate examination.

Zielgruppe

Employees from all sectors who are familiar with the fundamentals of a quality management system and wish to take on the role of quality representative in their organisation in the future.

® TÜV, TUEV und TUV sind eingetragene Marken. Eine Nutzung und Verwendung bedarf der vorherigen Zustimmung.

Abschluss

Teilnahmebescheinigung

A written examination in English is offered after attending this course.

The examination is conducted by TÜV Rheinland's PersCert TÜV certification body, which is accredited in accordance with DIN EN ISO/IEC 17024. After passing the exam, you will receive a certificate from PersCert TÜV certifying your qualification as a "Quality Representative (TÜV)". PersCert TÜV documents the requirements for your qualification on the globally accessible internet platform www.certipedia.com under the test mark with the ID 7411150561. Use the test mark with your individual ID as an advertising signet under the conditions shown at www.tuv.com/perscert. This will strengthen the confidence of customers and interested parties in your qualifications.
