The IOSH Managing Safely course enables you to implement OHS protocols and manage the risks associated with it, ensuring the well being of your team. You will play a significant role in improving the safety awareness culture and also gain an advantage over anyone holding a managerial position.

Les objectifs

IOSH Managing Safely, a foundational risk management certificate in OHS enables you to :

- Understand, advocate and implement various safety protocols.
- Recognize ways to measure and improve health and safety performance.
- Undertake structured risk assessments and accident investigations.
- Take responsibility of a team's health and safety.

Le public ciblé

The Institution of Occupational Safety and Health (IOSH) Managing Safely Certificate course is designed for managers and supervisors working in any sector, anywhere in the world.

Les prérequis

Our IOSH Managing Safely course has no formal entry requirements. You will need a computer with internet connectivity.

Le contenu de la formation

The course is split into eight modules:

- Introducing Managing Safely.
- Investigating Accidents and Incidents.
- Human Factors.
- Assessing Risk.
- Controlling Risk.
- Understanding Managers Responsibilities.
- Common Hazards.
- Measuring Performance.

After completing the course, you will be assessed through

- A 45-minute multiple-choice test
- A practical workplace risk assessment assignment that needs to be completed within two weeks of completing the course

Duration : 16 - 32 hours

Informations importantes
