The industry-leading NEBOSH International Diploma in Occupational Health and Safety is a high-level qualification that prepares you for the future. You will expand your skills related to health and safety protocols, develop industry knowledge and proactively raise safety standards in your company.

## Les objectifs

Develop leadership skills in the area of health and safety with the NEBOSH Diploma Program. This program will enable you to :

- Assess health and safety policies within the workplace,
- Manage or control aspects of health and safety, and implement practices to reduce risks,
- Establish yourself as competent health and safety professional.

## Le public ciblé

The National Examination Board in Occupational Safety and Health (NEBOSH) Diploma is a high-level qualification. It is for people already working in the health and safety domain, wanting to enhance their competence, like :

- Health and safety managers, advisors or officers,
- Compliance managers,
- Training coordinators,
- Quality, risk and environmental workers,

- Engineers,
- Consultants,
- Directors.

## Les prérequis

There are no formal entry requirements. But you will need to know the foundations of health and safety including how to carry out risk assessments, investigate incidents and comply with health and safety regulations.

You will also need to have good writing skills and be able to critically analyse information.

We recommend you take the NEBOSH General Certificate before taking the NEBOSH Diploma or have five years of experience working in a health and safety role. That way you will have the right level of knowledge to meet the demands of the course.

## Le contenu de la formation

The course is split into four units :

- Unit A: Management of Health and Safety,
- Unit B: Control of Hazardous Agents in the Workplace,
- Unit C: Workplace and Work Equipment Safety,
- Unit DNI: Application of Health and Safety Theory and Practice.

Units A, B and C are taught units, each with 9-11 elements.

They are each assessed with a three-hour written exam. Unit DNI is an assignment to practically apply what you have learnt throughout the course.

Duration : 450 hours

## Informations importantes
