ISO/IEC 42001 AI Management Systems Lead Auditor - eLearning

ISO/IEC 42001 AI Management Systems Lead Auditor - eLearning

Seminar | Always available | Certificate of Completion

E-learning | 40 Lessons | Available online

Seminar Number: IN-AIC-PECB-ISO 42001 LA

Status: 06.11.2026. All current information can be found at https://academy-in.tuv.com/s/IN-AIC-PECB-ISO 42001 LA

As artificial intelligence continues to shape the future of business, the demand for skilled professionals who can ensure its responsible and ethical implementation is growing. This ISO/IEC 42001 Lead Auditor training prepares you to assess and audit AI Management Systems (AIMS) based on the internationally recognized ISO/IEC 42001 standard. Learn how to plan, lead, and report on audits that help organizations demonstrate accountability, compliance, and transparency in their AI operations.

Benefits

- Gain recognized expertise in auditing AI Management Systems
- Enhance your career with the globally respected PECB certification
- Learn how to apply ISO/IEC 19011 and ISO/IEC 17021-1 in the context of AI
- Strengthen organizational trust through responsible AI auditing
- Get exam-ready with expert materials and exam simulations

Target group

This course is ideal for:

- Auditors and aspiring auditors interested in AI systems
- AI consultants and managers responsible for AIMS
- Compliance and risk professionals in tech-driven organizations
- Professionals involved in AI implementation or governance

® TÜV, TUEV and TUV are registered trademarks. Utilisation and application requires prior approval.

- Technical leads and architects designing AI system frameworks

Requirements

To participate in this training, a basic understanding of artificial intelligence principles and the ISO/IEC 42001 standard is recommended.
Participants can also obtain certification upon passing the exam and meeting the relevant professional and audit experience requirement.

- **Provisional Auditor:** N/A
- **Auditor:** [Professional experience] Two years: One year of work experience in AI | [MS audit/assessment experience] a total of 200 hours
