NEBOSH Certificate in Construction Health and Safety (CHS).

NEBOSH Certificate in Construction Health and Safety (CHS).

Seminar | Jederzeit verfügbar | Zertifikat

E-Learning | 164 Unterrichtseinheiten | Online durchführbar

Seminarnummer: 05718

Stand: 29.03.2024. Alle aktuellen Informationen finden Sie unter https://akademie.tuv.com/s/05718

The NEBOSH Construction Certificate program will coach you to strive to eliminate any cause of accidents and realize an injury-free construction workplace. You will learn the legal requirements under CDM 2015 regulation, implement health and safety protocols and influence a safety-aware culture.

Nutzen

The NEBOSH Certificate in Construction Health and Safety endows you with the skills and knowledge required to:

- Identify, evaluate and assess risks
- Understand legal requirements for managing health and safety
- Learn the duties under the Construction (Design and Management) Regulations 2015
- Advocate effective health and safety improvements

Zielgruppe

The National Examination Board in Occupational Safety and Health (NEBOSH) Construction Certificate is a foundation qualification. It is for professionals responsible for health and safety in the construction industry, such as:

- Health and safety officers
- Managers
- Supervisors
- Principal designers
- Principal contractors

® TÜV, TUEV und TUV sind eingetragene Marken. Eine Nutzung und Verwendung bedarf der vorherigen Zustimmung.

Voraussetzungen

There are no mandatory entry requirements. However, having awareness of general health and safety issues is essential. It is recommended you complete the NEBOSH General Certificate program before taking this course and have a suitable standard of English language (score of 6.0 or higher in IELTS tests).
